1. The following is an examiner's statement of reasons for allowance: With regard to the claim language "duct means" and "annular support means" and other analogous claim language; note that such language does not constitute an enactment of 35 USC 112 sixth paragraph for several reasons: (1) No means plus function language is used and (2) the means are further claimed as being directed to the specific structure that is intended to correspond to the means in the claim language. Such an interpretation is consistent with the interpretation of the above means language as of the date of allowance on 1/25/2005.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Claims 1, 3-5, 7-9, 11-13, and 15-21 are allowed.
